

ENDAVOR MEETING HELD CLOSES SUNDAY

Miss Ruth Brandenburg of Moline is Re-elected Head—First Session at Geneseo.

Miss Ruth Brandenburg of Moline was re-elected president of the Rock Island and Henry counties Christian Endeavor convention held at the South Park Presbyterian church Saturday and Sunday. Walter Murphy of Rock Island was named president; Miss Eva Lamber of Rock Island treasurer, and Willis Bohmer, Geneseo, secretary.

One of the best conventions ever held was recorded this year, together with the successful first conventionette held for juniors between the ages of 6 and 12 years Saturday afternoon. One hundred juniors attended the conventionette, put on a program, and led in the services. It was the first of its kind, and will be repeated at every annual meeting.

Geneseo was awarded the 1921 meeting, Kewanee that of 1922, and Moline will entertain in 1923. Nearly four hundred delegates from every Endeavor society in the two counties were in attendance.

The Saturday morning program was given as scheduled, with the conventionette in the afternoon. One of the most enthusiastic meetings of the two-day session was the fellowship dinner and social held Saturday evening at the Central Presbyterian church. Ralph Lemon acted as toastmaster, and called upon representatives and officers of the various societies. Two hundred were present, singing and giving yells.

Rev. W. G. Oglevee preached the services Sunday morning on "Services," followed by a missionary playlet having the same theme. The playlet was repeated by request at the Sunday afternoon session. F. D. G. Walker, formerly of Rock Island, now of Chicago, preached a sermon also. During the supper hour delegations in machines made visits to members of the Christian Endeavor who were unable to attend because of sickness.

The song service during the convention was led by Ted Bunting of Moline, assisted by A. E. Cook of Rock Island. Mr. Cook also gave several solos. Rev. A. E. Moody of Galesburg closed the convention Sunday evening with an address. Each meeting was well attended, and the convention was said by delegates to be the biggest district Christian Endeavor convention put on in Illinois.

JACK SKELLY AND BUCK SARGENT IN GALESBURG RACES

(Special to The Argus.)

Galesburg, Ill., Oct. 11.—Jack Skelly of Rock Island and Buck Sargent of West Moline figured in the money in motorcycle races held here Sunday afternoon. Oren Harwood of Galesburg won decisively in two of the main events over riders representing manufacturing companies of several popular makes of motorcycles. Enthusiasm in the events was lax and only a small crowd attended, but on the other hand some speedy races were pulled off. Harwood's machine, a Cyclone, specially built in 1915 to win the world title for a 4-lap race on a wood track, which it did at the rate of 101 miles per hour, at Indianapolis the same year, developed an average speed of nearly seventy miles an hour on the local district fair grounds course, a dirt track, in the 5-mile open. Results:

Five-mile open, 10 entries, Oren Harwood won; Buck Sargent, second; Jack Skelly of Rock Island, third. Best time, 9:47.

Ten-mile race, nine entries, Oren Harwood won; Buck Sargent, second; Jack Skelly of Rock Island, third. Best time, 9:47.

One-mile time trials: Harwood 53 4-5; Buck Sargent, 57 3-5; Gouldard, 58; Skelly, 58 4-5.

Twenty-five-mile open, Ed Johnson of Galesburg won; Jack Skelly second; Leo Simson of Kewanee third. Best time, 25:11.

SCHLEGEL'S DECLARE THEMSELVES.

Wish to Make Policy Clear.

An article appeared in Friday night's papers stating that federal agents are active in Rock Island in checking the liquor traffic and its sale through drug stores, and on physicians' prescriptions.

In justice to themselves, as well as the public at large, the Schlegel drug stores wish to state that they have never sold liquor in any form, or dispensed it on prescriptions, and never will.

POSTPONE WEEKLY HORSE SALE; DROP IN MARKET CAUSE

(Special to The Argus.)

Galesburg, Ill., Oct. 11.—Weekly for years the Friday horse auction at Marsh's, now the Galesburg horse and mule barn, have been carried out promptly on time and have drawn big horsemen from miles around. Bidding also has been brisk and prices good. An indication that the stock market is undergoing deflation was understood by those on the inside of the horse market here from the fact that laxity on the part of both sellers and buyers forced the postponement of the sale until Saturday morning. Bidding gets slower and prices weaker every week lately, and this has been going on for the last several months.

LOMBARD SHOWS CLASS AGAINST ILLINOIS, 21 TO 7

(Special to The Argus.)

Galesburg, Ill., Oct. 11.—Outweighed but outclassing their opponents in other departments of the game, the Lombard college football team Saturday afternoon ripped off a 21-to-7 victory against Illinois college of Jacksonville. The scrap was staged on the Lombard field. Lombard scored in the first, third and fourth quarters on touchdowns. Illinois made its lone score just before blocking a punt on the Lombard two-yard line and clinching the ball when it rolled backward across the goal line. This peculiar style of scoring is unique so far on the Lombard lot.

The visitors used T.V.T. tactics in the initial period, smashing the Lombard line almost at will for gains all except in the vital moments. Lombard held and did some advancing of its own in the succeeding quarter. The second half was all for the locals. In the last two minutes of play Illinois staged a revival of pep and battered down from the 45-yard line to within the Lombard five-yard mark. They lost the ball on downs but

made their touchdown as described. Both sides used open and time plays and a few forward passes proved effective for both teams. There was also considerable punting, in which

Murphy of Lombard had an evident advantage over Darling, the Lombard punter. used the following lineup: Swanson and Flick, ends;

Murphy and Anderson, Munsen and Brockmeyer, back; center; Hammer, back; Rainey, left half; right half; Hesse, fullback.
